C4158 Holden Torana A9X #7 1979 ATCC Winner (Aust)

The 1979 Australian Touring Car Championship was won by this, the ASF sponsored Holden Torana of Bob Morris. Winning four of the eight rounds that year the Holden A9X proved to be dominant force, with the same type of car winning all four of the other rounds. Forever enshrined into Australian racing folklore the car was well known for its sideways action and thrilling races.
