C4203 James Bond Aston Martin V8 "No Time to Die" (UK)

Another new Scalextric moulding, the famous Aston Martin V8 featured in two Bond films. Making its debut in the Living Daylights the car returns in 'No Time To Die'. A big beast of a GT car the V8 was a mainstay of the Aston Martin range throughout the late 1970s and 1980s as well as being Bonds car of choice.
